

AMBERLITE USA

Swatches

We hold stock of a smaller range of styles here in the USA for off shelf fast delivery in the USA only. All USA stock is highlighted on the swatch list below and all USA stock panels are 10 x 4ft x .39 inches with a high gloss anti-scratch nonporous top-coat.

For styles marked **USA Stock**, We provide a free sample service to Architects, designers and associated trades and disciplines within the commercial interior market sector. We can provide a maximum of 4 standard size samples free of charge to a USA registered business address and the sample request form is available on our website

PLEASE NOTE! When requesting samples of styles not marked as USA stock these are subject to a MOQ of 200 square feet and longer lead-times.

Please note that Amberlite is not a DIY product.
